EDUCATION WEEK

Dear parents/carers,

Education Week is a statewide, annual event, held during the first week of August, to celebrate NSW public education. The theme for 2019 is 'Every Student, Every Voice'.

Our school will be holding an Open Day to celebrate Education Week on Tuesday 6 August. This year, our Open Day will allow parents and families to hear from our students about their learning in class, engage in a robotics workshop, visit our art show and join in a school community picnic.

The robotics workshop for parents/carers will be presented by Mrs Devereaux, Mrs Field and some of our Robotics Club students. There will be two sessions but the same workshop will be delivered at both sessions. There are limited places for the workshop (maximum of 30 participants per session) so if you are interested, please go to the following link to enrol online:

<https://www.schoolinterviews.com.au> Select 'Make a Booking' and use the code **ja927**

At the art show, every student in the school will have their favourite art work on display and visitors will be able to 'buy' their child's artwork for a gold coin donation. All proceeds will go back to funding supplies for our K-6 art program.

The schedule for the Open Day is as follows:

- 8.45-9.15am: Art Show (in the hall)
- 9.30-10.00am: Robotics Workshop 1 (in the library)
- 10.00-10.30am: Robotics Workshop 2 (in the library)
- 10.30-11.15am: Open Classrooms (all classrooms K-6)
- 11.15-11.45am: Picnic (in the playground) & Art Show (in the hall)

We hope you can join us for this celebration of our students!

Yours in education,

Elise Berwick
Principal

The children are the best storytellers and who better to share what's happening in our schools than the people who are experiencing it first hand - our amazing kids! That is the power of student voice.
