12th April 2019

Stage 2 Movie Bugs Incursion

Event Dates: Monday 13th May & Friday 21st June

Payments can be made by cash, cheque or online.

For payments online enter **Payment Description: Movie Bugs**

Payment Amount: \$10.00

LAST DATE FOR PAYMENT: THURSDAY 9th May

Dear parents/caregivers,

During Term 2, Classes 2/3F, 3/4H and 4C will be participating in an amazing literacy and science focused multi-day incursion that will introduce students to stop animation software and filmmaking. This is to support their learning of the Science unit Living World with a focus on the features, habitats and life cycles of invertebrates found in our local environment. It will also support the English syllabus content by developing an animation based on students' scripts, storyboards and invertebrate models during class. The incursion will be led by the experienced staff from the Field of Mars Environmental Education Centre.

This incursion will be held on **Monday 13th May and Friday 21st June. The school will cover more than half the cost, meaning the cost to families is \$10 per student.** Please complete the permission note and return it to the school office by **Thursday 9th May 2019.** Parents experiencing financial hardship are encouraged to make an appointment with the Principal to discuss payment options. All such requests are treated confidentially.

We are able to take a limited number of parents to assist with supervision on the second visit (21st June). If you are available to attend, please complete the expression of interest form attached.
