Special Religious Education and Special Education in Ethics Participation

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website (<https://leura-p.schools.nsw.gov.au>) provides information on these options to support parent/carer choice.

As there are new procedures in place, and many SRE & SEE group changes have occurred over recent years, we are collecting preference information for every student in the school. Please complete and return the slip below to the school office by Friday 8 February (this week). If the slip is not returned, we will place your child in an SRE option based on their original school enrolment information.

For more information about Special Religious Education (SRE) and Special Education in Ethics (SEE), including the list of approved providers, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

If your preferred SRE or SEE option is not available, please contact the approved provider. Students not attending SRE or SEE are given supervised alternative meaningful activities, such as reading or completing homework.

Yours sincerely,

Elise Berwick

Principal
