responsibility

resilience

Thursday 12th November, 2020

Dear 3/4M Parents and Caregivers,

I would like to take this opportunity to acknowledge the understanding that our families in 3/4M have given us during 2020. We know that it has been a very disruptive year. Our students in 3/4M have demonstrated resilience and comradery during these unsettling and unpredictable times and we are very appreciative of the support that you have given us.

I am writing to inform you that Ms Eves is unable to continue teaching 3/4M due to changes in her family circumstances. She is really unhappy that she cannot continue on the class. Ms Eves has thoroughly enjoyed working with 3/4M and will miss their love for learning. She will miss the students' delightful nature and willingness to work together and help. Ms Eves will have her final day on Friday 13th November 2020.

Starting next week, Mrs Vikki Rhodes will teach 3/4M on the days that Ms Mc Mahon is on leave. During the days that Mrs Rhodes is teaching, I will be actively present in co-teaching writing lessons and numeracy sessions. Mrs Rhodes works closely with the Stage 2 team and already teaches the Stage 2 program on 3/4C. Ms Mc Mahon will be working on Thursdays and will gradually increase her days on class in the coming weeks.

I appreciate and understand that 2020 has been a very challenging time for you and our students. If you have any questions please do not hesitate to contact our school. The wellbeing and education of our students is our priority.

Kind regards,

May Ptolemy
