

Fun Day This Friday!

Have you bought your tokens?

Dear parents and carers,

Our Year 6 fundraiser, the annual Fun Day is on this Friday 4th December. Please remember that no money can come in on the day and should be sent before Friday to the office.

It depends on how much your child will want to take part in, but a rule of thumb is that most students will spend between \$5 and \$20. Please send your money to the front office in a sealed envelope with your child's & class name on it.
