

Attention all Stage 3 families,

Our next meeting for the 2021 Year 6 Farewell is scheduled for:

Wednesday, 28th April

3.15 pm to 4.15 pm

In the spare classroom (opposite the office)

During the meeting we will have a brief overview of the evening, the events leading up to it and information on how you can be involved.

Importantly, it is a tradition at Leura that this event is organised by our Year 5 students and their families with support from Year 6 families.

This gives Year 5 students the opportunity to take on responsibility and leadership roles while farewelling their fellow students. It also allows our Year 5 families to work with and learn about this ceremony from those that have been involved before.

The roles that you might like to take on are:

- Coordinator / School Liaison
- Assistant Coordinator
- Decorations (at least 4 people)
- Invitations
- Cake
- Props
- Set up and pack on the night

We rely on parent support to make our Year 6 farewell as wonderful as it is! We want to create a memorable night that has an amazing atmosphere where students from both years 5 and 6 enjoy themselves, make memories and treasure their friendships and achievements at LPS.

All are invited and we hope to see you there!

Vikki Rhodes on behalf of Stage 3 teachers
