Personalised Learning Pathways

Dear Parents/Carers,

Mrs Rebecca Hutchinson will be supporting First Nations students at Leura Public School to work on goals identified in their Personalised Learning Pathways (PLP). PLPs are developed in consultation and collaboration with students, families and teachers to identify, organise and apply personal approaches to learning and engagement for success. Students will participate in activities aligned to their PLPs and cultural activities. This may result in students being withdrawn in small groups from classroom activities for up to 45 minutes a week. PLPs are an active and continuous process at Leura Public School. We are very excited to be able to offer this time for students. If you require further information please contact the school leura-p.school@det.nsw.edu.au to make an appointment with Mrs Hutchinson.

Yours sincerely,

Mrs Hutchinson
