Dear Parent/Caregiver

I am writing to request your permission for images of your child to be taken during activities for Film by the Eucalypts Festival Series and for their publication. Images taken and the publication of these images will be for the purpose of sharing your child’s experiences with other students, educating the wider school community, promoting the “Film by” Festival Series, or promoting public education.

The communications in which your child’s image may be published include but are not limited to:

- Public websites of the NSW Department of Education including the arts website and the NSW Department of Education intranet (staff only).
- NSW Department of Education publications including the Educational Services and The Arts Unit newsletter, annual report, promotional material or programs published in print and electronically including on the Department’s websites.

Signing the attached form means you agree to the following:

- The NSW Department of Education is able to publish images of your child as many times as it requires in the ways mentioned above.
- Your child’s photograph may be reproduced either in colour or in black and white.
- The committee will not use your child’s photograph for any purpose other than sharing his/her experiences with other students, education of the wider school community or for the general promotion of the Film by the Eucalypts Festival Series and Public Education.

Parents should be aware that when information is published on public websites and social media channels, it can be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information. Published information can also be linked to by third parties.

Please complete the consent form (attached) and return it to the office by **Wednesday 26 June 2019**. This consent, if signed, will remain effective until such time as you advise the department otherwise.
