29 January 2020

Dear parents/caregivers,

Today we have welcomed your child into their new class for the 2020 school year. Data collection at the end of last year showed student enrolment numbers have declined slightly. Currently the school has formed 9 classes, based on 2019 planning. Once the school submits our 2020 actual student enrolment numbers and then receives notice from the Department of Education of our staffing entitlement and our funding allocation, I will be able to confirm whether the school will maintain this number of classes, or whether some restructuring of classes needs to happen. I expect this to be possible about Week 4 this term. Please feel assured that all teachers will be starting educational programs immediately, not waiting for any possible changes to occur. At present, the class organisation for the school is as follows:

KJ – Mrs Jinks  
K/1F – Mrs Field

The Assistant Principal for Early Stage 1 is Mrs Field.

1/2A – Mrs Aldred  
1/2B – Mr Bartie  
1/2S – Mrs Standen

The Assistant Principal for Stage 1 is Mrs Field.

3/4C – Miss Crowe  
3/4M – Ms McMahon

The Assistant Principal (relieving) for Stage 2 is Miss Crowe.

5/6A – Mr Atkinson  
5/6H – Mrs Hutchinson

The Assistant Principal for Stage 3 is Mr Atkinson.

Mrs Colton is our teacher librarian and Mrs Way is joining our staff team as Learning and Support Teacher later this term. Mr Connor will be teaching RFF Music and Ms de Croos will be teaching RFF Visual Arts. Mrs Devereaux will be working in an Executive RFF Teacher and Literacy Support Teacher role. We will be hosting our annual “Meet the Teacher” event after school on Wednesday 5 February so please ‘save the date’. More details will be sent home shortly. If you have any questions or concerns specifically about your child and their learning needs, please make an appointment to speak with the class teacher.

We hope the year ahead is a successful one for your child at Leura Public School.

Yours in education,

Mrs Elise Berwick  
Principal
