Code Club Years 3 – 6 Expression of Interest

Dear parents/caregivers,

We will be running Code Club this year on Tuesday and Thursday mornings. The club is open to students in Years 3-6 and will cover computer programming, computer science and robotics.

You are receiving this note as your child has expressed interest in joining the club and submitted an online application. **The first 20 students from each group will be placed into the class, all other students will be placed on a waiting list.**

It is essential that students who wish to be part of the Code Club are available to be present at school at their times:

Group 1	Years 3/4	8:15am Thursday Mornings
Group 2	Years 5/6	8:00am Tuesday Mornings

Code Club will be starting on the **first week of Term 3**. Group 1 (Years 3-4) starting 23rd July (Week 1, Term 3) and Group 2 starting 21st July (Week 1, Term 3).

If you are available to make these times, please sign the permission slip and return to school by **Friday 26th June 2020.**

Yours sincerely

Patrick Angel
Code Club Coordinator

Jodie Field
Rel. Principal

*Please note: students will need a Scratch account. This account needs a username and password that **cannot** contain their real names. As Scratch is a children's platform that allows sharing of work, users are regularly banned for using real names. Emails need to be verified to allow students to share work.*
