Stage 3 Camp & Year 6 Farewell Update

Dear Stage 3 Parents,

Stage 3 Camp Update

In response to Covid 19, our Stage 3 camp, that normally takes place early in Term 3, was cancelled. We would normally visit many different venues, most of which currently remain closed.

The purpose of our camp is twofold. Firstly, it is an opportunity to reinforce Stage 3 learning, in particular the history of how Australian government was formed and the democratic election process. Secondly, it provides an opportunity for students to experience time away together.

Current advice is that school excursions are on hold and no camps are running. Please note that Leura Public School still aims to organise something special later this year for Stage 3 students so that they don't feel as if they have missed out. Once venues and events start to present themselves as options, we will make further decisions and will inform families promptly.

Year 6 Farewell Update

The organisation of this year's Year 6 Farewell has also been delayed due to the difficulty in meeting up with parents. Please keep an eye out on Skoolbag for an update on this, as parents will be invited to join us in the continued tasks required to make this special event happen at the end of the school year.
