

Year 6 Farewell

Organisation on the Night

The year is quickly coming to a close and the Year 6 Farewell is closer than ever. This note is to advise you how things will run on the night so that you can organise your timing and the ever important outfit changes.

We had talked earlier in the year about eating before arriving, **but this has changed** as we are now able to organise individual parcels of food from Lily's Pad Café in Leura. Therefore, the night will start a little earlier at 5:30pm. Please note that drinks will also be provided.

Following the latest COVID safe practice advice from the Department of Education, we can now invite Year 6 parents in at the start of the evening to take photos if they wish. To keep our numbers low, we ask that no siblings or extended family come through the gates with you. To follow guidelines, we ask that Year 5 parents do not enter on the evening. Year 6 parents will need to sign in at our COVID station, situated at the entrance gate.

Year 6 parents will need to leave when students enter the hall and are then invited to join us in the hall at 8:30 to see their child receive their graduation medal and goodie bag. If raining, students will leave at the gate at the back of the hall. If not raining, they will leave at the gate near the teacher carpark.

As you can see, it is a very full evening and to avoid running late, we ask that students arrive promptly at 5:30pm. We look forward to a colourful, happy and important evening.
