

Thursday 24th June 2021

Dear Parents and Carers,

In response to advice from Health NSW on operating in the safest way possible in the current COVID 19 environment, the Department of Education has advised that:

“Non-essential school visitors will not be allowed on school premises (i.e.: visitors not involved in **delivering** or **supporting** curricular activities).”

As a result, we need to reschedule our Principal’s assembly from this Friday 25th June to Friday 23rd July (Week 2 of Term 3).

Letters for award recipients will be provided ASAP.

Thank you for your understanding at this time.

Mr Atkinson
