## Hanging Swamp Outdoor Activity

Dear parents/carers,

As part of an end of year leadership activity, we will be visiting our Hanging Swamp, which is located in the bushland at the back of the school.

In keeping with school safety policies, students will be required to wear a hat and appropriate school clothing. They must wear sensible enclosed footwear and are encouraged to wear long pants and long sleeves. Risk management protocols are established for the Hanging Swamp, which include access to first aid kits, snake bite kits and having teachers trained in first aid procedures.

If you would like your child to participate in this final leadership activity, please complete the permission slip below and return it to Mr Atkinson by **Monday 6 December 2021**. Students without permission will not be eligible to attend the activity.

Regards,

Mr Atkinson  
Assistant Principal

Mrs Ptolemy  
Principal
