Dear Parents and Caregivers,

Leura Public School participates in Mathletics. It is an online mathematics program that works at each student's level and is directed by the teacher. The program is integrated into our teaching and learning programs and is a core part of our homework program across the school.

The school is subsidising the cost of our Mathletics subscription by 50% and is asking parents to pay the other half. This year the cost for parents to pay is **\$8.00 per student**. The program allows students to access their account from anywhere and use different devices including tablets/iPads etc.

At our K-6 assemblies we will hand out the Gold Awards that your child achieves.

- ❖ 1000 points in a week = Bronze Certificate
 - ❖ 5 Bronze Certificates = Silver Certificate
 - ❖ 4 Silver Certificates = Gold Certificate
- Maximum of one Certificate per week.

Helpful Hints for Home

- Take an active role in your child's mathematics progress.
- Encourage your child to use Mathletics 3 to 5 times a week.
- Encourage a balance between the Full Curriculum section and Live Mathletics.
- Take time to work together with your child. The Support Centre in each activity will help show how to solve a particular problem.
- Encourage your child to do activities that challenge, rather than those he/she finds easy.
- If the course is too difficult or too easy, then change to a more appropriate course.
- Celebrate your child's success.

Please return payment slip with payment to the school office in an envelope/bag labelled with your child's name and class by Friday 5th March 2021. If you have any concerns with meeting this payment please contact the school office.

Kind regards,

May Ptolemy
Principal
