

Year 6 Farewell: It takes a village...

This weekend from 9.00am-5.00pm (Saturday and Sunday), we are decorating the hall for the farewell on Monday December 13 and we need all the helpers we can get!

We also need help to take the decorations down on Tuesday morning at 8.00am after the event.

Volunteers must be double-vaccinated against Covid-19 and send a copy or screenshot of their certificate to the School email leura-p.school@det.nsw.edu.au prior to coming on site.

On the weekend all volunteers must QR check-in and wear a mask.

If you are able to help please text your mobile number to the Farewell Coordinator - 0400 443 839 plus details of when you can help.

If you are lending items for the night please bring them to the hall on Saturday morning or drop smaller items to the office by Friday morning. If you need these items returned they **MUST be labelled with your details. There is also a list of items below that you are welcome to bring on the weekend. Please bring your own lunch and snacks.**

Let's make this a magical night for our children to remember.

Thank you for your support!

Year 6 Farewell Committee

-
- A ladder
 - Gaffer tape
 - Removable hooks
 - Blu-tack
 - White or silver material
 - Cool white fairy lights
 - Vases, or tall narrow containers that we can spray paint silver
