Payment Amount: \$40.00

Dear Parents/Carers,

Year Six students have decided on the design they would like for their special primary school polo shirt. Please see attached example of design.

The cost of the shirt is **\$40**. Please indicate on the form below what size shirt would be appropriate for your child.

The sizes below refer to the **measurement from under the arm seam one side of the chest to the other (half chest)**, not the actual size of the shirt. This means that you will have to measure your child's chest carefully to ensure the correct size is ordered. Keep in mind the shirts are made larger than the chest size to allow for a more comfortable fit. The most popular shirt sizes for Year 6 are Size 12 and 14. This year we have sample shirts showing different sizes available. Please see the school office if you would like to view the sample sizes.

Should you be interested in placing an order, complete the order form below, showing the **size and number** of shirts required **and return this note and payment to the office by Friday 26th February 2021**. Due to this being a once-off screen print design no late payments can be taken **and payment in full will need to accompany your order**. If you have any concerns with meeting this payment please contact the school office.
