QUICKSMART – 2022

Dear Parents/Caregivers,

We will be continuing the Quicksmart program at Leura Public School in 2022. Due to the huge interruption this year with COVID/remote learning we would like your child to be able to complete this valuable program next year. It has been very pleasing to observe improvements in your child's speed and accuracy during the Quicksmart lesson as well as hearing from class teachers about the positive difference Quicksmart is making in the classroom. We are looking forward to the new year and being able to take full advantage of the benefits that this wonderful program offers.

If you do not want your child to continue to participate in Quicksmart please complete the OPT OUT note below and return to the school office by Friday 3rd December 2021.

Yours in Quicksmart,

Fran Pearce
Quicksmart Teacher
