2022 YEAR 6 YEARBOOK – YEAR 6 CONTRIBUTIONS
Individual Questionnaire & Student Articles

DUE DATE: Friday 28th October 2022

Dear Year 6 Parents/Caregivers,

This note is to provide you with information regarding the **2022 Year 6 Yearbook, specifically individual Year 6 contributions**. **Please keep this page as it contains important information.**

Overview:	<p>Production is underway on the annual Year 6 Yearbook. This year, a dedicated team of Year 6 students are working alongside Mrs. Hannah Bucholtz to design and create the book.</p> <p>The Yearbook Committee meet regularly to collaborate on layout, graphic design, photography, and content creation. The project sees students develop their graphic design and publishing skills, as well as learn about DSLR camera techniques, budgeting, and the management of print deadlines.</p>
Individual student profiles:	<p>A highlight of the yearbook is the individual student profiles. Each profile includes their professional school photograph and responses to the yearbook questionnaire.</p> <p>This year we would like to invite parents/caregivers to support their child to complete the questionnaire. This presents a wonderful opportunity to discuss their time at Leura Public School and reminisce on specific activities and events.</p> <p>All questions that will be published are included on the attached questionnaire form. Exact student responses will be used at the discretion of teachers. For example, small amendments may be made due to word and space limits.</p> <p>If your child's questionnaire form is not returned by the due date, they will work with Mrs. Hannah Bucholtz in Week 4 to complete the questions. Due to the tight print timeline, responses completed at this time will not be shared with parents/caregivers prior to publication.</p>
Student articles:	<p>Many students in the Year 6 Yearbook Committee have elected to write articles for the yearbook. Each article is written as a recount of a specific school event. This includes, but is not limited to: Japanese Language Studies, Yanema Budjery Gumada, Game Changer Challenge, School Spectacular and Genius Projects.</p> <p>Students are working alongside Mrs. Hannah Bucholtz to write their articles, design their layouts and select photographs. Each article will go through a rigorous proofreading, editing and finalisation process. Articles can be sent home, for feedback and approval, at the request of parents/caregivers. Please tick the appropriate box on the following page to request a copy.</p>

Kind Regards,

Mrs. Hannah Bucholtz
