Class French News – Semester 2

20.06.2022

Dear Parents and Caregivers,

Our school has received news that Mrs. Jodie Field will be leaving the Leura Public School community during Semester 2, to become the foundational Deputy Principal of a new school build in Liverpool. Our school has been advised that this is a three-year position for Mrs. Field.

This is a prestigious position and exciting news for Mrs. Field. Mrs. Field's talents and expertise in the classroom and around the school will be missed at Leura Public School. We have been fortunate to have Mrs. Field leading in environmental education, providing innovative teaching and learning programs for our students and fostering strong community connections. Our school wishes her all the best as she embarks on a new adventure in her career.

We are currently in the recruitment process to replace Mrs. Field on class French and in her Assistant Principal role. We hope to have this vacancy filled for the beginning of Semester 2. Once our school has further information, we will communicate this with the community.

Warm regards,

May Ptolemy
Principal
