## **The Game Changer Challenge 2022**

Round One | Video Submissions

Dear Parents/Caregivers,

Congratulations to all teams on their amazing commitment and teamwork over the past few weeks. Each team has done an outstanding job at transforming a global challenge into local solutions/initiatives. The level of innovation and ingenuity at Leura Public School is truly impressive!

**Round One** consists of a video pitch and written statement focusing on understanding and defining the wicked problem. Filming will take place this week and Mrs Bucholtz will submit all team projects by **Friday 10<sup>th</sup> June 2022**.

Each team submission will include the following information:

- Team name and category (primary or secondary)
- Student information: full names and school year
- 90 second video pitch (as an uploaded video file)
- 300 word written supporting statement

As the competition is hosted by the NSW Department of Education, a **permission to publish** form is not required at this stage. Forms will be supplied to teams who make it through to the semi-finals.

If you have any questions or concerns regarding the Round One submission process, please contact the school by **Wednesday 8<sup>th</sup> June 2022**.

Let the filming begin!
