Primary ETHICS

Ethics Classes at Leura Public School

Dear Parents and Carers,

Thank you for choosing Primary Ethics for your child's Special Religious Education/Special Education in Ethics (SRE/SEE) time.

Sadly, we no longer have an Ethics teacher for your child's class this term. Students will need to attend non-Scripture classes. We are looking for more volunteers to provide Ethics classes for all families who have requested to participate in this program for their children.

Ethics teachers receive full training by *Primary Ethics*, the not-for-profit organisation approved to design curriculum and training for the Ethics program. Training consists of a two-day workshop and short online modules. All lesson materials are provided. Suitable volunteers have an interest in children's education and development of critical thinking skills, but you do not need to have previous teaching experience.

If you are available every Thursday from 2:00pm – 2:35pm and are interested in becoming an Ethics teacher, please visit www.primaryethics.com.au and complete the 'Volunteer' registration form to ensure the continuation of this program at Leura Public School.

Kind Regards,

Rebecca Hutchinson
