Rapid Antigen Test Distribution – next phase

Dear Parents and Carers,

Thank you to all our families who took the opportunity to collect the initial supply of Rapid Antigen Test (RAT) kits. This week our school received additional COVID-smart supplies, including RAT kits for use in Weeks 4 and 5. Each student will receive four tests (two per week).

We will be distributing the two-week supply to families by sending the kits home with students this Thursday 10th February 2022. For families with more than one child the RAT kits will be given to the eldest sibling to take home.

Surveillance use of RATs for staff and students remains voluntary and only families who choose to continue with testing will be supplied with a kit.

If you DO NOT wish to receive the RAT kits please complete the section on the OPT OUT note below and return to the school office. If you DO NOT want the kits sent home with your child/ren please complete this section on the OPT OUT note and contact the school to organise collection.

The OPT OUT note must be returned by Wednesday 9th February 2022. If we do not receive an OPT OUT note, the RAT kits will be sent home with your child/ren.

Kind Regards,

May Ptolemy
Principal

OPT OUT - Rapid Antigen Test Distribution Thursday 10th February 2022

I do not want to receive any of the Rapid Antigen Test kits

I do not want Rapid Antigen Test kits sent home with my child/ren and I will contact the school to organise collection.
