2023 YEAR 6 YEARBOOK – YEAR 6 CONTRIBUTIONS

Individual Questionnaire and Student Articles

Due Date: Friday 27th October 2023

Dear Year 6 Parents/Carers,

This note is to provide you with information regarding **2023 Year 6 Yearbook, specifically individual Year 6 contributions**. Please keep this page as it contains important information.

Overview:	<p>Production is underway on the 2023 Year 6 Yearbook. This year, a dedicated team of Year 6 students are working alongside Ms Ghannoum to design and create the book.</p> <p>The Yearbook committee meet regularly to collaborate on layout, graphic design, photography, and content creation. The project sees students develop their graphic design and publishing skills, as well as learn about DSLR camera techniques, budgeting, and the management of print deadlines.</p>
Individual student profiles:	<p>A highlight of the Yearbook is the individual student profiles. Each profile includes their professional school photograph and responses to the Yearbook questionnaire. This year we would like to invite parents/carers to support their child to complete the questionnaire. This presents a wonderful opportunity to discuss their time at Leura Public School and reminisce on specific activities and events.</p> <p>All questions that will be published are included on the attached form. Exact student responses will be used at the discretion of teaching staff. For example small amendments may be made due to word and space limits.</p> <p>Please ensure the questionnaire is returned by the due date. If your child's questionnaire is not returned they will work with Ms Ghannoum and Mrs Bucholtz in Week 4 to complete the questions. Due to the tight print timeline, responses completed at this time will not be shared with parents/carers prior to publication.</p>
Student articles:	<p>Many students in the Yea6 Yearbook committee have elected to write articles for the Yearbook. Each article is written as a recount of a specific school event. This includes, but is not limited to: Game Changer Challenge, Nepean Blue Mountains Dance Festival, creative arts extension, Stage 3 camp, athletics and zone carnivals, and genius projects. Students are working alongside Ms Ghannoum to write their articles, design their layouts and select photographs. Articles can be sent home for feedback and approval, at the request of parents/carers. Please indicate on the attached form if you request a copy.</p>
Due date for note:	Friday 27 th October 2023

Kind regards,

Ms Laurice Ghannoum
Year 6 Yearbook coordinator
